THE MANAGING DIRECTOR

ACCORDING to the "*Piano triennale 2007-09 per l'Internazionalizzazione*",

ACCORDING to the availability of funds

Decrees that

the following call for applications for scholarships for the academic year 2009/10 has been launched:

Art. 1 - Amount of the scholarships

For the year 2009/10 a call for application for 1 "Thales Alenia Space" scholarship has been launched.

The scholarship is addressed to foreign students who apply for attending the *laurea magistrale* course in Environmental and Geomatics Engineering (2nd level title, corresponding to a Master of Science) of the Politecnico di Milano, offered in Como, for academic year 2009/10.

The amount of the scholarship will be of 5.500,00 € *gross* per year.

Travel expenses, health insurance and other type of insurances (such as third party liability) are not covered by the scholarship.

The students will also be granted a fee waiver, which means that they will not pay any tuition fees except for the administrative fee and the regional tax, for a total of 144,00 €.

Art. 2 – Requirements

The applicants must be:

- foreign students in possession of a 1st level *laurea* title (Bachelor of Science) or any equivalent title, or
- foreign students coming from countries where the university system is not based on a two-cycle curriculum of studies and have completed all the exams relevant to the first three years or have acquired a total of 180 ECTS Credits.

Art. 3 – Beneficiary Selection

The beneficiaries will be selected from those who sent an application for Master of Science courses by April, 3rd, 2009, as described in the application process published in the "How to apply" section of the English version of the Politecnico di Milano's web site www.english.polimi.it and who have requested consideration for a financial-based scholarship offered on the Como campus.

Art. 4 - Evaluation Process

Applicants will be selected on the basis of the documents enclosed in the application form for admission to one of the above mentioned *laurea magistrale* courses as indicated in the "How to apply" section.

The Evaluation Committee will consider the following criteria to grade the applicants:

- a) academic performance in the first cycle of studies, particular consideration will be given to the marks awarded in the examinations, the final mark and the time required to complete the first cycle of studies or the first three years of study.
- b) curriculum vitae attesting possible relevant experiences either in terms of education or working activities.
- c) one recommendation letter
- d) letter of motivation

After the conclusion of the evaluation process, the Evaluation Committee will appoint the scholarship recipient.

The Evaluation Committee will be composed by:

- representatives appointed by the Politecnico di Milano
- a representative appointed by Thales Alenia Space Italia s.p.A..

Art. 5 - Outcome of the Selection

The outcome of the selection will be communicated only to the applicants who have been granted a scholarship by the mid August, 2009. Applicant must confirm his/her acceptance within 5 working days from the communication.

In the case that an applicant declines the scholarship granted, the Politecnico di Milano reserves the right to offer the place to the next candidate in the list by the end of August, 2009.

Art. 7 - Processing Personal Data

Further to and in accordance with Law n. 196 of June 30th, 2003, the applicants' personal data are collected by the Area Comunicazione e Relazioni Esterne – Servizio Progetti Internazionali and exclusively used for selection and enrolment purposes. All anonymous data may be used in statistical elaboration processes.
