Art. 2 – Requirements

The applicants must be:

- foreign students in possession of a 1st level *laurea* title (Bachelor of Science) or any equivalent title, or
- foreign students coming from countries where the university system is not based on a two-cycle curriculum of studies and who have completed all the exams relevant to the first three years or have acquired a total of 180 ECTS Credits.

Provided quality criteria are met, preference will be given to foreign students coming from the new EU Member States, Eastern Europe, India, China and Mediterranean countries.

Art. 3 – Beneficiary Selection

The beneficiaries will be selected from those who sent an application for Master of Science courses by April, 3rd, 2009 as described in the application process published in the “How to apply” section of the English version of the Politecnico di Milano’s web site www.english.polimi.it, and who have requested consideration for a merit-based scholarship offered on the Como or Lecco campus.

Art. 4 - Evaluation Process

Applicants will be selected on the basis of the documents enclosed in the application form for admission to one of the above mentioned *laurea magistrale* courses as indicated in the “How to apply” section.

The Evaluation Committee will consider the following criteria in evaluating the applicants:

- a) academic performance in the first cycle of studies, particular consideration will be given to the marks awarded in the examinations, the final mark and the time required to complete the first cycle of studies or the first three years of study.
- b) curriculum vitae attesting possible relevant experiences either in terms of education or working activities.
- c) recommendation letter
- d) letter of motivation

After the conclusion of the evaluation process, the Evaluation Committee will draft a List of qualified candidates.

The Evaluation Committee will be composed of representatives of the Politecnico di Milano, of Univercomo and Univerlecco.

Art. 5 - Outcome of the Selection

The outcome of the selection will be communicated only to the applicants who have been granted a scholarship by the end of June, 2009. Applicants must confirm their acceptance within 5 working days from the communication.

In the case that an applicant declines the scholarship granted, the Politecnico di Milano reserves the right to offer the place to the next candidate in the List by the end of July, 2009.

Art 6 - Students Benefits

The grant will amount to 5.000,00 € a year, for a total of 10.000,00 € over the two years of the *laurea magistrale* course, and will cover accommodation costs in one of the residences on the Como and Lecco campuses with which the Politecnico di Milano has signed agreements. The remaining amount (*after taxation*) will be given as cash pocket money.

The students will also be granted a fee waiver, which means that they will not pay any tuition fees except for the administrative fee and the regional tax, which amounts to 144,00 €.

Art 7 - Processing Personal Data

Further to and in accordance with Law n. 196 of June 30th, 2003, the applicants' personal data are collected by the Area Comunicazione e Relazioni Esterne – Servizio Progetti Internazionali and exclusively used for selection and enrolment purposes. All anonymous data may be used in statistical elaboration processes.
