

STUDENTS RESIDENCES FOR SCHOLARSHIP STUDENTS

Please, note that all the Students Residences offer a bed in a double room with another international/Italian student.

The accommodation in one of the following Residences will be given from the Politecnico offices before your arrival in Milan. *No changes are going to be allowed.*

When students enter in a Residence they are asked both to comply with the Residence's Rules and to pay a so called "deposito cauzionale" (deposit) which will be given back when they leave if no damages have occurred in the room.
